EPILEPSY DISCUSSION
SET FOR SEPT. 25

MISSOULA--

Epilepsy will be discussed Sept. 25 at an organizational meeting of the Missoula chapter of "People Really Interested in Developing Epileptics" (PRIDE).

The meeting is scheduled for 7:30 p.m. in room 203 of the Missoula County Courthouse Annex.

Michael M. McCarthy, local organizer of PRIDE, who is a senior in social work, education and art at the University of Montana, said the main purposes of the Missoula PRIDE chapter are to involve epileptics, clergymen, teachers, counselors and laymen in discussions about the physical and social conditions brought on by epilepsy.

Emphasizing the importance of PRIDE's organizational meeting Sept. 25 and future activities of the group, McCarthy said, "It is through the broad involvement in PRIDE of many truly interested people from Missoula and vicinity that we can assist individuals in meeting the challenges of their educational, occupational and professional goals."

A number of other Montana communities, including Billings and Butte, have PRIDE chapters.
